Horse Walkers

Priefert horse walkers are like no other on the market. Our walkers are virtually maintenance free, safe, attractive, durable and offer more options and benefits than any other walker, and all for a fraction of the cost of hiring someone to help keep your horses fit.

Horse Safe Panels

Without question, safety is the number one priority for horse owners! That is why Priefert takes the safety of the horse and its handler into consideration when designing our quality equine products. Priefert's Premier Panels are the heaviest of our three Horse-Safe™ panel options and are commonly used by top professionals and amateurs alike. If you are looking for a top-quality panel for constructing your round pen, arena, or paddocks, look at Priefert's Premier Panels.
